

Neotroniks Private Limited

<https://www.elciarcapacitors.com/>

We are one of the Leading **Manufacturer and Exporter** of a wide range of **Electronic Components and Power Capacitors**. These are appreciated for high tolerance, good insulation resistance and international quality standards.

About Us

Incepted in the year 1965, we at **Neotroniks Private Limited** are engaged in manufacturing and exporting a wide range of **electronic components** like **High Frequency Capacitor, Plastic Film Capacitor** and **Electronic Film Capacitor**. Manufactured using high-grade material, these components are widely used in electrical appliances, electronic equipment, oven and furnaces, refrigerators, automobile and home appliances. The components are manufactured using latest technology and are in line with the specifications of our clients. We also make use of 360 feedback system that help us in detecting the flaws in the process or in the products prior to their rejection or failure. Our products range includes **Metallized Capacitors, Power Electronic Capacitor, IGBT Capacitors, Snubber Capacitor, IGBT Snubber Capacitor, Polypropylene Film Capacitor, Polypropylene Axial Film Capacitor, RC Network Capacitors, Tank Capacitor Metallized Capacitors, Metallized Polypropylene Capacitors, Metallized Polypropylene Film Capacitor, MEA Metallized Polyester Axial Capacitor ,Metallized Polyester Capacitors, Fan Regulator Capacitor, Ultra Capacitors, Electric Double Layer Ultra Capacitors, Wire Wound Resistors, Instrumental Wire Wound Resistors, High Wattage Wire Wound Resistor, Wattage Wire Wound Resistors, High Wattage Wire Wound Resistors, Ignition Condenser, Ignition Coil Condenser, Connecting Rods, Automotive Connecting Rods, etc.** Moreover, our range...

METALLIZED CAPACITORS

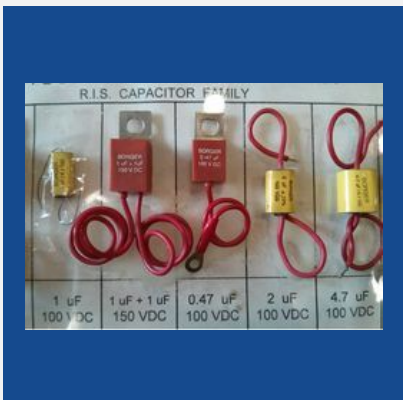

Metallized Polypropylene Fan Regulator Capacitor

Metallized Polyester Fan Capacitors

Metallized Polypropylene Film Capacitor

RIS - Auto Noise Suppressor

POWER ELECTRONIC CAPACITOR

Tank Capacitor

Polypropylene Metallized Paper Capacitor

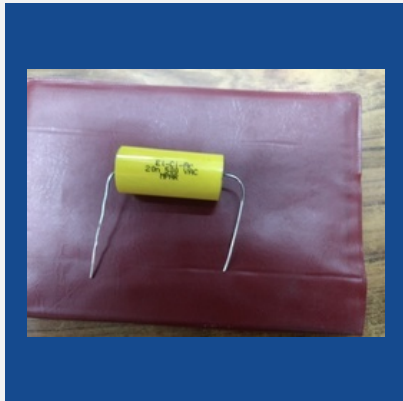

MKP71 - Self Healing Power Electronics Capacitors

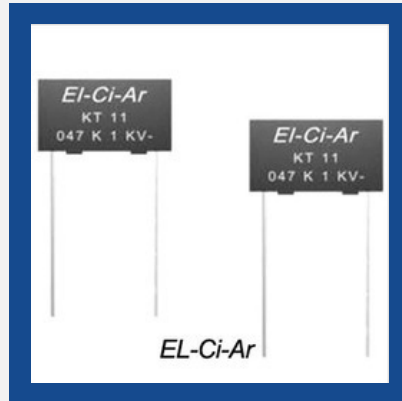

Paper Polypropylene Axial Capacitor

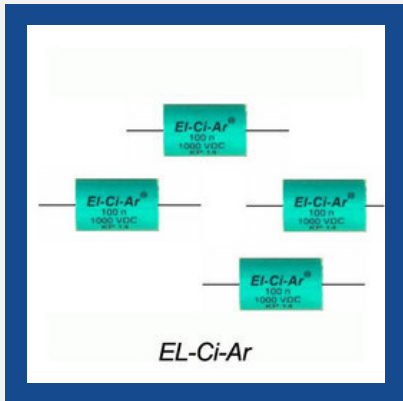

GENERAL PURPOSE CAPACITORS

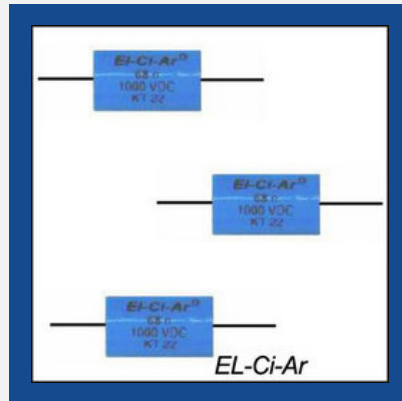

High Voltage Polypropylene Capacitors 5KV / 10KV

Polypropylene Film Capacitor 630VDC - 2000VDC

Polypropylene Axial Film Capacitor

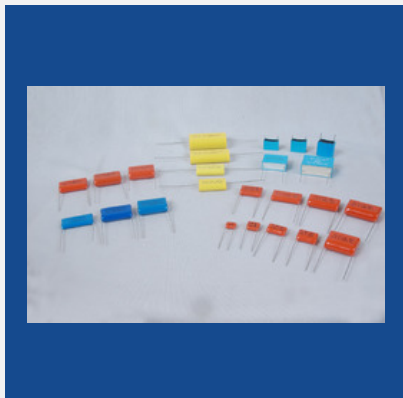

Polyester Film Axial Capacitor

POWER CAPACITORS

Metallized Polypropylene Fan Regulator Capacitors - MKP11

Metallized Polypropylene Capacitor - MPP

MPF 71 IGBT Snubber Capacitors

Industrial Power Capacitor

WIRE WOUND RESISTORS

EL-Ci-Ar

High Wattage Wire Wound Resistor

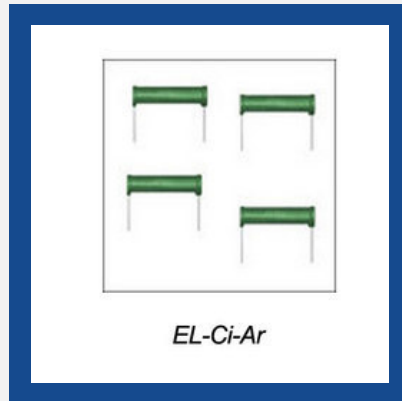

EL-Ci-Ar

Wattage Wire Wound Resistors

EL-Ci-Ar

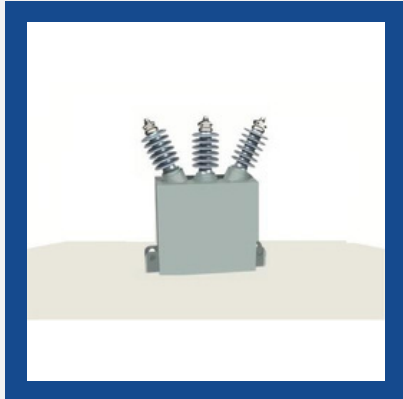

High Wattage Wire Wound Resistors

EL-Ci-Ar

Instrumental Wire Wound Resistors

FIXED CAPACITORS

Surge Capacitors

Vacuum Fixed Capacitor

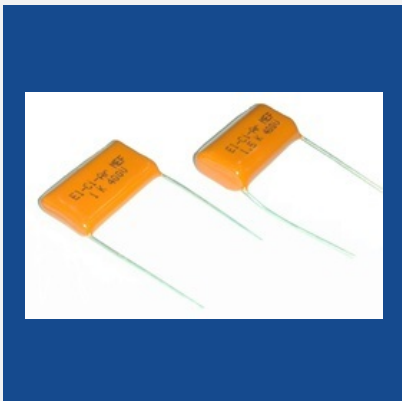

Low Tension Capacitor

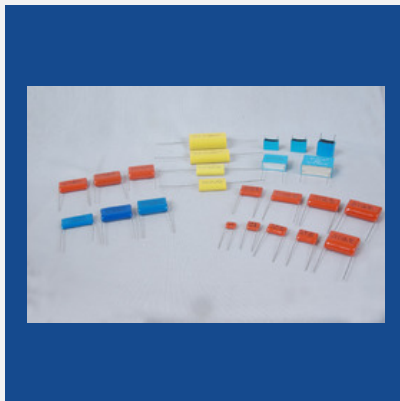

Low Inductance Capacitors

OTHER PRODUCTS:

CDI - Metalized Polyester Capacitors

LED Capacitors

Ignition Coil Condenser

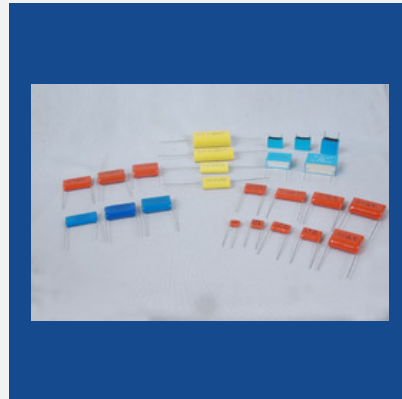

Induction Heating Capacitors

OTHER PRODUCTS:

RC Network Capacitors

Metallized Polyester Capacitor
MPT

Metallized Polyester Fan
Regulator Capacitors

Mylar - EKT - Plain Polyester
Capacitor

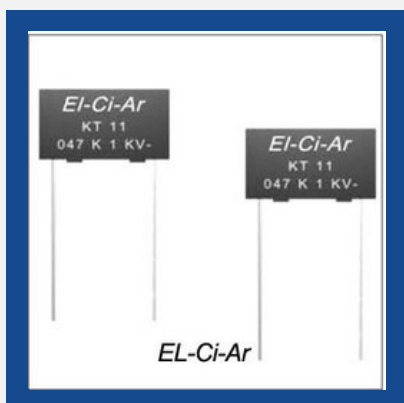

OTHER PRODUCTS:

IGBT Capacitor

Snubber Capacitor

Polyester Film Capacitor Box

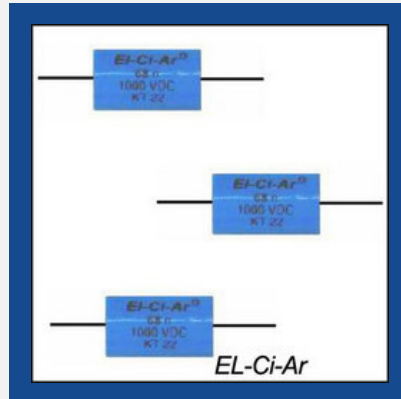

Electric Double Layer Ultracapacitors

OTHER PRODUCTS:

Dielectric Power Capacitor

FMD 23 - Mixed Dielectric Capacitors (Earlier FMD11 Series)

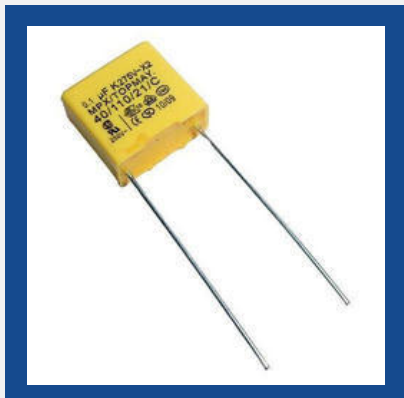

High Voltage Plain Polypropylene Capacitors

Electrical Condenser

OTHER PRODUCTS:

Safety Capacitor

High Frequency Capacitors

IGBT Snubber Capacitor

Factsheet

Year of Establishment : 1965

Nature of Business : Manufacturer

Total Number of Employees : 51 to 100 People
